## Environment, Health And Safety Policy

RADIANCE EHS Policy shall be applied for:

- Identify and comply with legal & contractual obligations
- Increase EHS awareness amongst all employees
- Train staff and workforce for effective contribution to our EHS initiatives
- Achieve continual improvement in our EHS performance

We are committed to:

- Protecting the health and safety of all employees and others visiting our premises
- Protecting the environment and taking steps to prevent pollution in construction activities
- Planning, managing and supervising all our work to comply with best practice
- Creating a culture in RADIANCE and its contractors where our commitment to EHS
- Maintaining a leading role in EHS practice in the construction industry
- Empowering employees to start work when conditions are not safe and stop work when they are unsafe.
